Letter No. D.O. No. B-141/44-45 dated 12.2.45 from the Director of Insc requesting orders of Govt regarding the appointment of Mr. M.R. Aswathanarayana Rao as Inspector of Factories Boilers Bangalore Division.

Subd:- Kind attention is invited to G.O. No. 2171-72/C.B. 145-43-31 (vide flag 'B') directing that Mr. M.R. Chandrasekhariah, Inspector of Factories and Boilers may retire from service with effect from 23rd Feb 1945, the date of his superannuation.

In notification No. D 5053/Dre 320-44-2 dated 27.1.45 (vide file) placed below privilege leave from the date he avails himself of the leave till the 22nd Feb 45 has been sanctioned to the Officer preparatory to his retirement.

It now the Director of Insc has recommended the appointment of Mr. M.R.

Aswathanarayana Rao at in place of Mr. M.A Chandrasekharaiah in 150 = 25/2 = 250.

11 The proposal of the Director is for orders.

12 The file re the appointment of probationers recently selected is under circulation & is not readily available. I have a recollection that the retirement of Mr Chandrasekharaiah in Feb[y] 45 was taken into account in arriving at the number of vacancies that would be available for the appointment of probationers & the required number of probationers have been appointed. If the vacancy created by the retirement of Mr Chandrasekharaiah is filled up by the promotion of Mr Aswathinarayan Rao, one of the probationers will not, perhaps, have a place. A letter making an enquiry re: This is under issue If approved This will be issued & the reply of the Dir awaited.

13 The Dir proposes to get Mr Chandrasekharaiah relieved on the 23rd Feb[y] by Mr A. N. Rao & place the latter in charge of Coll[n] the division till a substitute is appointed. This may, perhaps be approved

Sir

Subject:--Promotion of Mr.M.R.Aswathanarayana Rao to fill up the vacancy of Mr.H.R. Chendrasekhariah, Retired Inspector of Factories and Boilers.

With reference to your letter No.D.5695/I&C.369-44-2 dated the 28th February 1945, enquiring whether Mr.M.R.Aswathanarayana Rao is the Senior most of the officials eligible for promotion, I have the honour to statet hat in connection with the filling up of the post of the Inspector of Factories and Boilers, the main consideration is the fitness of the person for the post. There were only two Inspectors of Boilers and Factories of whom Mr.Aswathanarayana Rao was the Junior Inspector. When the Senior Officer retired, the promotion of Mr.Aswathanarayana Rao was recommended as a matter of course and as his work as Inspector during the last 10 years was very satisfactory. Among the Officials of the Department, Mr.K.V.Govinda Rao, Assistant Superintendent of Industries, Bangalore Division, Bangalore is senior to Mr.M.R.Aswathanarayana Rao, if service is taken into consideration. Mr.Govinda Rao possesses the same technical qualifications as Mr.M.R.Aswathanarayana Rao but has had no training in Boiler Inspection work, and he has had no experience in inspection of factories. Another official who is Senior to Mr.Aswathanarayana Rao is Mr.A.M.Dyas, Assistant Superintendent, Central Industrial Workshop, Bangalore, getting a salary of Rs.180 in Grade Rs.150-10-200. Though both (Messrs.Dyas and Aswathanarayana Rao) possess the same technical qualification, yet Mr.Dyas has no experience in Boiler Inspection work, moreover his services are required in the workshop itself. He underwent training only for two months in the College of Engineering under the Principal of the College, whereas Mr.Aswathanarayana Rao has experience of Boiler Inspection for the last fouteen years and further he had special training under Mr.V.Ganesh Iyer, the first Boiler Inspector of the State for over 4 years. In fact, I had recommended two years ago to raise his salary to one of Rs.150-25/2-250 while the control of the inspection of the Factories and Boilers was

pto

was vested in the Commissioner of Labour and Director of Industrial Planning.

I, therefore, request that my recommendation may kindly be approved.

I request early orders of Government in the matter.
